

M/P CLEAR ADHESIVE PP MATTE

(SE310)

Details

- Microporous coating : Extremely fast dry times
- Pressure sensitive backside adhesive with PET released liner
- Glossy finish with curl free and water resistant characteristics
- Extremely sharp color expression
- Great for durable high quality image needs in retail spaces and tradeshow

* Condition/Setting

it may be curled after HP Latex printing, so it needs to develop your own HP latex profile
Wet application recommends.
