- Outstanding image expression
- Light weight (190 g/m<sup>2</sup>)

## APPLICATION

- Photorealistic Quality Prints, Fine Art, Graphic Artwork, Posters

## GENERAL INFORMATION

- Printing Temp : Temperature 15 ~ 30°C (59 ~ 86 °F) / Humidity 30 ~ 60%
- Lamination : Optional.
- Storage : Recommended to store in closed original packaging in a cool 10 ~ 30°C (50 ~ 77 °F) and dry environment. (Humidity 35~65% RH)
- Shelf Life : One year stored in original packaging at recommended temperature.

### ※ Cautions

- Recommended to keep the proper temperature and humidity
- Blocking may occurred with high humidity
- Recommended not to be contacted with hand on the ink reception layer
- Recommended to be careful about reverse curling caused by contraction when applying PVC based Lamination film
- Recommended to check the printing quality by enlarging the image since the product expresses delicate images
- Recommended to use the original ink from printer manufacturer
- When using black ink, recommended to use Photo black, not matte black
